My Name is SHACKLES D. CLARK
I'm writing to file a complaint
on Tarrant County Jail medical
Staff for medical malpractice.
On or about the 10 day of April
I was in very bad pain here
in the Jail. My appendix
had failed me and I needed
to be taking to the doctor or
Emergency room for help. I
told medical Staff something was
wrong with my organs in they
said I was constipated in give
me some medication to help
with constipation. I stayed
in pain for 4 days. I had a
panic attack and they the
Officers put me in a
holding cell with piss and shit
in there for hours. I'm
MHMR I feel like they
made a direct threat to my
health and safety.
